

ARE YOU READY TO HAVE YOUR RIGHTS SACRIFICED FOR NOTHING?

# RALLY FOR YOUR RIGHTS

PARLIAMENT HOUSE  
APRIL 20th 12.30pm

The Criminal Investigation Amendment Act must be stopped. This legislation proposes to remove the requirement of reasonable suspicion.

**REMOVING THE NEED FOR REASONABLE SUSPICION DOES NOTHING BUT LEGALISE UNREASONABLE SEARCHES**

Say no to police-run zones where you can be STOPPED, SEARCHED, STRIPPED and SCRUTINISED at the whim of whoever is on patrol.

The police have a difficult job - but these laws will not increase public safety and will not make the job of policing any easier.
